**Communications and Misc. Reports:**

It was reported that the Flint Hills Beef Fest BBQ cookoff in Emporia KS that was to be held on August 18/19, 2017 has been cancelled.

It was reported that the date for the Harper County Bullseye Barbeque in Harper KS has been changed to the following week, October 20, 21, 2017.

There was a general discussion and concern about the number of area contests that have been cancelled.

Richard Burton asked if anyone is interested in a group purchase of pellets to consider going in together and getting a break on pricing. If interested you may contact him at [tooth7443@cox.net](mailto:tooth7443@cox.net).

I received an email from Don Cary, All Things BBQ, that a person called his store and wanted someone to do catering for about 300 people in downtown Wichita on September 12th of this year. Don asked that I pass this on to see if anyone in our group would be interested. This is the only information that I have on this. The contact is Shawn Snyder, [316-617-7359](tel:316-617-7359), [ssnyder@bcspartsks.com](mailto:ssnyder@bcspartsks.com). Brent Lassen has been in contact with Shawn and I do not know if he needs any additional help.

**Team of the Year Reports:**

**New Business:**

There was a discussion about teams getting together to volunteer to prepare a meal for the Ronald McDonald House of Wichita (RMHW). This would be to serve 20 people or less. This was tabled to discuss at the next meeting.

It was also motioned and seconded that for the next 3 meetings we bring a non-perishable item to give to the RMHW for a Christmas donation. We would do this in lieu of giving out door prizes at our Christmas party. Attached is a list of items that RMHW needs. You can also bring gift cards and cash. Please consider doing this since there are members in our group that have been in need of the services of RMHW. It is also a very good service project for the community.

**Old Business:**

None reported.

There being no further business or discussion, the meeting was adjourned at approximately 7:00 PM.

**Next scheduled meeting:** September 20, 2017.
