**Team of the Year Reports:**

There was a lot of confusion as to what was to be done with the Team of the Year entry fees after last month's meeting. In checking the previous minutes and discussions with some members, no definite answer could be found. The minutes only state that we should collect entry fees, but no mention is made as to distribution. It was decided by the Board that in lieu of a definite answer, the total fee would be distributed to the overall 2016 winner.

For the 2017 contest year, the following motion was made to amend the standing rules for the TOY contest:

"Entry fees collected will be used to pay for plaques or trophies for Overall and for each of the 4 meat categories (and other categories as approved). Remaining funds will be distributed as follows: 50% will be awarded for Overall Winner. The remaining funds after this payout will be equally divided among the first place winners of the 4 meat categories (and other categories as approved)." This motion was seconded and approved by a unanimous vote.

The entry fees for the 2017 Team of the Year will remain at \$20.00 per team, due by the April 19<sup>th</sup> meeting. Please give us a notice that you will be participating by April 1.

**Past Contest Reports:**

Not a contest report, but the February 4<sup>th</sup> Table Captain's class was a great success. There were 19 attendees and Dennis Polson put on a great class.

### **Upcoming Contests:**

The Voth's are in discussion with some people for a possible contest in Wichita. It may start out as a backyard contest. They should have more information at the next meeting.
